**Referenced document:** *Regulation 2006/1907/EC of the European Parliament and of the Council of 18 December 2006 on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)*<sup>1</sup>

According to the provisions under REACH, Sensirion AG is regarded as articles manufacturer and downstream user of substances and preparations with production located outside EU. As articles, Sensirion's products are not subject to registration. All substances and preparations contained in our products which may possibly be subject to registration, have to be registered exclusively by our suppliers.

The present declaration is in accordance with Art. 33 of the Regulation and meant to fulfil the customer request for product information.

We herewith state that none of the products object of this declaration contain any of the substances of the Candidate list for inclusion in Annex XIV at a concentration > 0.1% (w/w).

Ref.: [http://echa.europa.eu/chem\\_data/authorisation\\_process/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp)

The information is based on information provided by our suppliers, published data and the documentation from the European Chemical Agency (ECHA). No attempt has been made to verify this information by third party analysis.

We are continuously observing the changes on candidate list and suppliers' side that may cause implications for our products. Any changes related to REACH regulations will be communicated in a timely manner to all our customers of respective products.

**Disclaimer:** All information in this declaration is given to the best of our present knowledge and belief. The information given doesn't imply giving a warranty within the meaning of the warranty law.

Signed for and on behalf of Sensirion AG

Staefa, 21 January 2016

Stephan Weber  
Director, Quality Management, Sensirion AG

Dr. Adrian Ruf  
EHS Manager
